

REMARKS

1. Purpose of Supplemental Amendment

The Remarks filed on November 13, 2009 included a Declaration under 35 U.S.C. § 131. That Declaration referenced an "Enclosure 1." Applicants submit that the response of November 13, 2009 fully responded to each of the Examiner's rejections. However, it has come to Applicants' attention that Enclosure 1 (a Wikipedia reference used for supplemental support) was inadvertently excluded from that filing. Accordingly, this Supplemental Amendment is provided simply to ensure that "Enclosure 1" has been included.

Enclosure 1 is referred to in the Declaration at page 4 and supports the arguments made on page 10, lines 6-9 of the Amendment filed November 13, 2009.

Conclusion

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Mark J. Nuell Reg. No. 36,623 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.
